Dear Hiring Manager,

I am writing to express my interest in the Web Designer / Developer and Graphic designer. With a diploma in Higher National Diploma in IT (HNDIT) from Hardy Advanced Technical Institute and several internships in web development, I am excited about the opportunity to contribute my skills and grow within your team.

My experience in HTML, CSS, JavaScript, PHP, and MySQL, coupled with my knowledge of graphic design tools such as Canva, Photoshop, and Illustrator, makes me confident in my ability to contribute effectively. In addition to completing various freelance web development projects, I have worked on individual semester projects such as a Child Location Tracking Website and a Hospital Portfolio Website, which strengthened my skills in user-centric design and data security.

I am passionate about delivering high-quality work and enjoy collaborating with teams to achieve common goals. I am confident that my adaptability, creativity, and attention to detail will allow me to thrive in this role. Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to your team. Please feel free to contact me at +94776112754 or via email at k4suvathik@gmail.com.

Sincerely
